

Applying for Financial Aid 2024 – 2025

CCS's Financial Aid Policy is designed to discover, determine, and disburse assistance to our families in need in an objective and just manner.

We are contracting with FACTS Management, Inc. to provide Grant & Aid eligibility services. FACTS is used to determine the requisite need for each family applying for financial assistance.

IMPORTANT NOTE: These funds will be restricted for students/families who **will not** have 100% of their tuition and fees covered through Parental Choice Tax Credit (PCTC) funding. Those students/families who only receive partial amounts of tuition and fee coverage from PCTC **are still eligible** to apply!

The Process

STEP 1: Apply with FACTS online at <https://online.factsmgmt.com/grant-aid/inst/44FQR/landing-page> (you must create an account with FACTS first, and there is a \$40 application fee PER HOUSEHOLD, regardless of the number of students. This application starts the financial eligibility process for CCS)

STEP 2: Upload ALL Supporting Documents, including 2023 Tax Returns (or the most recent tax return) – They MUST Have Tax Info to Make Any Financial Aid Decisions

STEP 3: Be Sure ALL Documentation is Uploaded and Submit the Completed Application to FACTS

STEP 4: Apply with the Opportunity Scholarship Fund (OSF) at https://portal.osfkids.org/users/sign_up?type=Household

STEP 5: Upload ALL Supporting Documents to OSF, including 2023 Tax Returns (or the most recent tax return) – They MUST Have Tax Info for scholarship eligibility

We look forward to partnering with our families to ensure that a lack of finances is not a hindrance to enrollment. If you have any questions, please contact: darickmorton@claremorechristian.com
